

Study at SRH International College

Heidelberg, Germany

SRH Universities — Your Path to Success

Established in 1966, SRH Holding is a non-profit foundation with historical operations in the healthcare and education sector. SRH Universities are a top provider of high-quality, state-accredited Bachelor's, and Master's in Europe. The programs in SRH are delivered in English or German languages. You can start your studies at SRH International College on the main SRH campus in Heidelberg. Upon finishing your foundation's or pre-master's course you can progress several SRH degree programs in Germany including Heidelberg, Berlin, North Rhine Westphalia, Dresden, and Hamburg.

**Progress your studies
from Heidelberg to other
campuses around Germany**

SRH University of Applied Sciences Heidelberg

One of Germany's oldest and largest private universities, SRH Heidelberg offers a wide variety of study programmes and a full package of student services, from accommodation and cafeteria on campus to career development centre and student library. Excellent rankings and high student satisfaction are what define SRH Heidelberg - the university that truly puts you at its center!

SRH Berlin University of Applied Sciences

With a brand new and high-tech campus in the vibrant Neukölln district, SRH Berlin is your n°1 choice if you are looking to study anything from international business, engineering, IT to design, film, music or creative industries management in a dynamic, modern and innovative environment. Two additional campuses provide students with further study and career opportunities: One in Dresden, with a focus on business and healthcare management, and one in Hamburg, centred around digital transformation and supply chain.

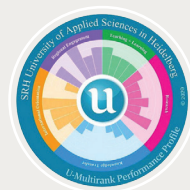

SRH University of Applied Sciences in North Rhine-Westphalia

Germany's first logistics university for undergraduate studies, SRH NRW is proud to offer the most cost-effective package of study and services, across its 3 campuses in Hamm, Leverkusen and Münster. As Germany's core industrial region and the leading business hub in the German states, NRW ranks in the top 3 when it comes to salaries and employability.

Study at SRH International College

A supported start to a SRH degree

SRH International College is based at the heart of the SRH Heidelberg campus, in one of Germany's most beautiful cities. This is where your learning journey starts and your personal goals take centre stage.

Setting up New Standards in Education | Accreditation & International Recognition

When you finish your studies at SRH International College you will automatically progress to your chosen degree at SRH Universities Germany. All SRH campuses are state-accredited by the German Accreditation Council and internationally recognised.

CHE Ranking: Our universities achieved top results in many categories, s.a. internationality, graduation rate, student support or excellent contact with the industry.

FIBAA Premium Seal: Master's International Management (TOP 10 Master's in Germany).

CORE Principle – Exclusive to SRH | Competence-Oriented Research & Education

CORE combines the acquisition of competencies and skills with the joy of learning. Once you have progressed to your chosen SRH degree you will work on practical tasks in small teams over 5-week blocks and will be offered several examination forms to demonstrate your skills in the way that is the most well-suited to the relevant competences. With all-round support from your professors, you will not only acquire expertise and methods but also improve your personal and social competences on a regular basis.

Career Service | Hand in Hand with the Industry

We believe in an education that is directly related to the work you will do after you graduate. Gain access to our network of business partners through internships and an early integration of real work projects into your curriculum. Benefit from free German language courses and career support. Coached and inspired by the best, you will set out on your individual path to a successful career. We can proudly state that 97% of our alumni find employment within one year after graduation.
